

DHK Military Binoculars

DHK700376-M7500-1

Built to withstand extreme temperature environments. We suggest you keep them on board, but our systems are designed for buoyant, waterproof and corrosion resistant. You'll appreciate the ultra-bright, crisp views granted by their multi-coated optics and premium BaK-4 prism glass. Rugged rubber armoring provides a sure grip, absorbs shock and keeps them from sliding in rough conditions.

FEATURES :

- O-ring sealed and nitrogen-purged to keep out moisture
- Non-slip, non-skid rubber armor cushions bumps
- Highly resistant to saltwater corrosion
- BaK-4 porro prisms for bright, clear, crisp viewing
- Fully Multi-coated optics for superior light transmission and brightness
- Hermetically sealed & Fold-down eyecups
- MIL-STD-810
