FIRST AID

Just In Case

+ FIRST AID KITS

DHK First Aid Kits are the only kit to include our patented ReFresh™ Personal Water Filtration System, sealed for long storage and capable of purifying up to 800 liters of water. Every inch of a DHK Medical Kit is packed with a full array of quality supplies for professional-level treatment in the wilderness or wherever you may roam. Our First Aid supplies are combined with basic survival components in this truly comprehensive kit. Features over 270 carefully chosen items of remarkable quality arranged in a durable, ballistic nylon carry case.

All of our kits are outfitted to meet your needs as the first aid responder. Whether you are at home, the office or on the road, we have the supplies you need. Life does not take place in a controlled environment; different people and different situations require different first-aid kits. That's why we've developed something for everyone - no matter where life takes you. We have three different kit options-- order the kit that's appropriate for your situation. Our Industrial Kit features items for everything from minor injury treatment to pain relief. Truly all-purpose, this first-aid kit is perfect for use in the workplace-whether in the office or in the field.

If disaster strikes your family, neighborhood or office, the most critical need for help is during the first 48 hours following the disaster. That is why we have included a variety of items to meet the need in almost any situation including Bio-wash, Chlorine tablets, Eye wash, along with bandages, burn creams, instant cold pack, ear plugs etc.
